

Notification of Donation to the Netball Waikato Bay of Plenty Zone Calf Scheme in association with RD1 Livestock

An opportunity to become part of the “Kia Magic” family of Supporters and be part of the winning Partnership

Waikato Bay of Plenty - a region renowned historically for its farming and more recently as the home of sporting champions. And from a netball perspective, the Waikato Bay of Plenty Kia Magic continue to add to the region’s prowess.

The Kia Magic are the only New Zealand side to have won the world’s toughest netball competition - the ANZ Championship. Moreover, this year the Kia Magic maintained a proud record of being the only team in the competition to have made the playoffs every year since its inception, also going on to claim the inaugural NZ Conference winner’s trophy!

By thinking outside the square, the Netball Waikato Bay of Plenty (WBOP) Zone established a unique opportunity to combine the farming heritage of the region, with the opportunity to be part of a successful netball family and community.

By signing up to the scheme you’ll not only help the development of netball in the region but will receive exclusive benefits, including two tickets to a home Kia Magic game next season and the sale day BBQ put on by RD1.

The 2015 Calf Scheme will help keep this momentum going. The “Calf Scheme” is a unique way of donating to the Waikato Bay of Plenty cause.

Partners RD1 Livestock are on board to co-ordinate the pickup and sale of the Calves. Stewart Cruickshank will be our “go to” person and can be contacted on 027 270 5288 if you have any queries.
